How much will it cost?

That will depend on type of hire and / or time period required. **Clubhouse Hire is free for members** subject to availability. Where a Non-Member hires the Clubhouse for a party or another event then a returnable deposit is taken per tariff below.

Are there any other costs related to the Clubhouse Hire?

Depending on the type of event you wish to hold then you may be required to provide stewarding personnel, in addition the Club reserves the right to request an additional prepayment to cover any breakages, damages or bad behaviour. Provided all is in order that prepayment will be returned to the hirer.

Please note that the hirer is liable to reimburse the Club for any breakages or malicious or accidental damage to Club property that occurs during the event. Fortunately, such incidences are rare.

Any other information I need to know?

While the Clubhouse (or part thereof) is available for hire by both members and non-members the Club may decline any such request at its sole discretion.
